Band Boosters of Lincoln-Way Sell Decals to Buy Horns and Uniforms

The Lincoln-Way Band Boosters are in need of funds for more equipment and to meet this need they plan to send out decals to every resident in the district. In turn they hope that every person who receives a decal will send in a donation.

The decals show a golden lyre superimposed upon a red background and inscribed with the name of the town in which the buyer resides, Mokena, New Lenox, Frankfort or Manhattan. Each will also carry a number that will be registered in the name of the person buying it. The registration will provide a means of identification, it was pointed out, and the decal itself will serve to show the source of the car if it be parked in a community where a police are tagging cars for failure to have a vehicle tag. They can also be used to identify books, brief cases and the like.

The decals are being mailed out today and each is accompanied by an addressed envelope to make it easy for the recipient to enclose his donation and mail it back.

The Lincoln-Way band is growing so rapidly that it is difficult to keep up with its needs, it was pointed out by officials of the group. More instruments are needed and the band must have more uniforms, it was said.

The band made a fine showing in the finals of the state band contest last year, getting a superior rating which is the top award.

Tony Bettenhausen Addresses Meeting Of Illinois Police

Tony Bettenhausen, of Tinley Park, veteran race driver, was guest speaker at the meeting of the Illinois Police association Monday in Sanger hall. The 180 police officers who attended enjoyed two movies shown by Bettenhausen. Music was provided by an organist.

Hosts to the association were police departments of Tinley, Orland, and Palos. Police departments in Will county were represented at the meeting.

Committee to Study Salaries At Lincoln-Way

A Lincoln-Way board salary committee was appointed by President Krusemark to study salaries and also financial ability to meet the increasing payroll. Serving on this committee are Lester Case, Loren Schleeter, Earl Robinson and Supt. Chapman.

Salary schedules from other schools are being collected for study, and a special committee meeting has been called for Thursday night, Feb. 4. Even though Lincoln-Way teacher salaries have been improved every year, the starting and maximum salaries are presently the lowest among all of the southwest suburban conference schools.

New Heating Concern Opens in Frankfort

A new business has been established in Frankfort—the Frankfort Heating Co.

The owner is Roger Maitland. He is equipped to handle all sheet metal, heating, and plumbing contracts for firms or individuals.

A plumber by trade, Maitland has seven years' experience in sheet metal work and has been engaged in plumbing work for the past two years. He is affiliated with the Lockwood Furnace Co., Joliet.

His wife, who is presently working in Joliet, plans to take charge of the office.

STARTS CAB SERVICE

A taxicab service, the first established at Mokena, has been started by Ival (Doc) White. He will operate one cab and will give service day or night.

Burglars Try To Crack Safe At Yunker Imp.

Burglars broke into the Yunker Implement Co. store at 159th and Wolf road, Orland township on Wednesday night or early Thursday morning of last week and after failing to open the safe made off with tools and merchandise valued at \$509.

In addition to this loss damage to the safe and building came to \$300, according to a company spokesman.

Footprints of two persons were found in the snow, one set leading up to the window where entry was made and the other set leading away to where the thieves had left their car, more than a hundred feet away.

The burglars—investigators believe they were amateurs—tried to gain entrance to the safe by peeling the metal covering on the door but apparently after hacking away at it for a time they became discouraged and quit.

They ransacked the desks and cabinets in the office, strewn their contents, including business papers, on the floor.

Apparently the thieves were looking for money but failing to find any they carted off a quantity of tools, including numerous wrenches; battery cables, battery boosters and spark plugs.

Twenty-five Aerolux lights—electric bulbs in which the filaments are shaped as emblems, flowers etc.—also were taken as was a pair of women's shoe skates, new and size 9.

Stores Burglarized; Car Tires Slashed At Tinley Monday

Two burglaries and one act of vandalism were reported to the Tinley Park police department Tuesday morning.

Entry was made by removing a window on the south side of the building. Cigarettes amounting to \$50 were taken and a small amount of change.

The Bilotti Shoe Store, 17026 Oak Park ave., was burglarized the same night and between \$75 and \$80 in cash was taken. Entry was made by breaking a pane of glass on the back door and opening the door from the inside.

Three tires were slashed between 10:30 and 11 p.m. Monday on cars parked near St. George church.

The Elmore Grocery store, 17700 Oak Park ave., target of burglars, was entered some time after closing Monday night or early morning hours Tuesday.

Roman Surovick, Father of Mokena Resident, Dies

Roman Andrew Surovick, 78, father of James Surovick of Mokena, died in the Little Company of Mary hospital Saturday of a heart condition.

He was born March 23, 1880 in Czechoslovakia. He came to this country in 1903 and settled in Chicago, working at the carpenter's trade.

He was married to Miss Veronica Zbella in Chicago in 1906. She died in 1949.

Funeral services were conducted in the chapel at 5112 S. Western Ave., with the Rev. Father Petro officiating. Burial was made in the Resurrection cemetery.

Mokena Man Escapes Serious Hurt When Struck by Sliding Auto

Icy conditions and skidding cars landed Charles Hecht, 22, of 191st st. Mokena, in Silver Cross hospital, Joliet when he was pinned against the side of a tow truck early Sunday morning. He is now recovering at home, but still suffering from bruises and flesh injuries.

He is employed by the Ray Schilling garage and was responding to a call from James Thurman, 40, of Chicago, whose car had skidded into a ditch on route 30, near Lincolnwood. Hecht had pulled the car out when a west bound vehicle operated by Donald Seaman, 20, of Joliet, skidded into the rear of the Thurman machine. The impact pushed the car against the tow truck, pinning Hecht against the truck.

The left leg is the more seriously injured. Stitches were required to close the gashes. The right leg and most of his body is severely bruised.

Deputy Sheriffs, Charles Kapella and Stanley Drake said Thurman was westbound on route 30 when his car skidded on the ice and snow and went off the road about 4 a.m. He escaped injury as did a passenger in his car, T. W. Williams, of Chicago Heights.

Seaman, driver of the car which jammed into the back of the Thurman auto after it had been pulled from the ditch said he was unable to halt because of the icy conditions of the road. Thurman had to jump aside to keep from being hit, deputies reported.

A passing motorist, George Calamaras, of Joliet, drove the injured Hecht to the hospital.

Thurman was able to drive his car from the scene altho it was damaged. The Seaman vehicle had to be towed.

Mokena School Board To Give Dinner For Teaching Staff

Members of the teaching staff of the Mokena public schools will be guests of the school board at a dinner tonight at the Valley View restaurant.

Board members seldom come in contact with the teachers and it was their thought that by having the teachers as dinner guests they could become better acquainted.

Members of the teaching staff are, Mrs. Elizabeth Cappel, principal; Herbert Wrath, assistant; Mrs. Minnie Pester, Mrs. Jean Clark, Miss Mary C. Burke, Mrs. Joyce Drotts, Mrs. Madeline Weber, Mrs. Lorraine Abraham, Mrs. Kathleen Resler, Mrs. Minnie Bignall, Mrs. Katherine Smith, Miss Mary Donahue and Glenn Miers.

Members of the school board are Robert Geuther, president; Lyman Teague, secretary, James Stewart, Edwin Yunker, Gordon Bruce, Walter Shewski, and Hans Mueller.

FIREMEN SEEK FUNDS

In order to raise money to purchase much needed fire equipment, the Mokena Fire department will sponsor a bakery sale Saturday afternoon, Feb. 8. It will be held in the Cooper & Hostert garage in Mokena and will start at 2 o'clock.

Grain sorghums medium fine when feeding them to beef cattle.

Suffers Fatal Heart Attack Shoveling Snow

Ralph Schroeder, 49, of 9925 W. 143rd st., Orland Park died suddenly Thursday, Jan. 23. He collapsed in a doctor's office in Palos Heights, where he was taken by his son Donald, when he became ill after shoveling snow.

Mr. Schroeder was employed as a finisher with a printing firm.

He and his family, formerly of Oak Lawn, have resided in Orland for the past seven years.

He was born Dec. 25, 1909 in Chicago. Survivors are his widow, Henrietta, nee Rauch, son Donald and daughter Janice; also his parents, Walter and Lilly Schroeder, of Marshall, Indiana, one brother, Elmer, of Oak Lawn, and one sister, Ruth Page, of Norwalk, Calif.

Funeral services were held at the Schmaedeke Funeral home Monday, with the Rev. Adolph Lach officiating.

Burial was in Christ Lutheran cemetery.

Shower of Twins — Three Sets Born in Area

By all appearances, it seems that the stork has been quite concerned lately about the increase of population in the area and therefore delivered three sets of twins within a week.

One set, a boy and girl, were born last Friday, Jan. 24 in Silver Cross hospital, Joliet to Mr. and Mrs. Donald Carroll, W. 195th st., Mokena. Their weights were six pounds five ounces and five pounds nine ounces. They have been named Margaret Frances and Thomas George. Their brother and three sisters will welcome them and their mother home this week-end. Mr. Carroll is employed by the Rock Island railroad in its Hamilton Park offices, Chicago.

Another pair also, a girl and a boy, were born in Silver Cross hospital, Joliet Tuesday, Jan. 28 to Mr. and Mrs. Richard E. Koller, 1227 N. Cedar road, New Lenox. The girl weighed five pounds 12 ounces and the boy five pounds 10 ounces. As yet the parents have not selected names. Their brother Richard, 4, and sister Kathleen, 3, are waiting to welcome the twins and their mother home, probably this week-end. Grandma Koller is keeping house for the family in the absence of the mother. Mr. Koller is a carpenter by trade.

The stork appointed Dr. Merle Otto of the Hedges clinic at Frankfort to officiate at the birth of the above children.

Another set of twins both girls, were born in Ingalls Memorial hospital, Harvey, on Tuesday, Jan. 21 to Mr. and Mrs. Henry Bechstein, Jr. They have been named Donna Eileen and Gloria Jean and weighed seven pounds 11 ounces seven pounds two ounces, respectively. The Bechsteins, former residents of Tinley Park now live at Crete, Ill.

Cub Scout Pack Meeting

A good attendance was present at the Cub Scout pack meeting last Thursday, held in the gym of the public school.

George Gorman, Cub master presided. Den 8, of which Mrs. Gordon Spiess is den mother, presented and retired the flags.

Mrs. George Bernard lead the singing of Scouts songs. Den 7, Mrs. Robert Gilmore, den mother, presented a skit entitled, "Mar's Fantasy". The attendance award flag went to Den 7 for having the most parents of the members present.

Cub Master Gorman presented the following awards:

To Tobey Nichols and Norman Noble were given the Bob Cat award as new members; Leslie Bisgrove, wolf badge; Tommy Roberts, and Kevin Hoolehan, gold arrows Robert Horras, Kevin Hoolehan, silver arrows; Tommy Hamilton, bear badge; Dale Westlund and Larry Weathers, lion badge.

The impressive Indian ceremony was carried out for the four Cub Scouts who graduated that evening into Boy Scouts. Donald Alexander, was Indian chief assisted by Indians. Timmy Hull, Jim Gorman and Todd Bennet. This group marched around the room and gathered their incoming members and presented them to Scout Master Arthur Omland.

The graduates were Gregory Fant, Russell Gilles, Dale Westlund and Larry Wallschlaeger. These Scouts took their places before an altar set with candles. As Scout Master Omland lighted each candle he explained the meaning and symbol of each thus introducing the newcomers into the teaching and work of Boy Scouts.

Cub Scout Master Gorman presented each with their graduating certificate.

Mr. Gorman announced that Boy Scout week would be observed by a Father and Son banquet on Feb. 27 held in the social hall of St. Mary's Catholic church on Wolf road. It will start at 7 p.m. and will be in lieu of the annual pot luck dinner held to observe the Boy Scout birthday. This year the 48th. Fathers will pay \$1.50 and Scouts 75c for the banquet. A good program is being planned.

Mrs. Faye Beagle, 2006 Scott st., entertained last Saturday afternoon in her home at a linen shower for Miss Cherie Brooks. Decorations were carried out in the bride-to-be chosen colors of pink and white. The afternoon was spent socially and after the many nice gifts were presented the honored guest, refreshments were served.

3 Candidates Withdraw On County Ticket

Two candidates for the Republican nomination for sheriff and one for county clerk in the Will county primary have withdrawn.

Walter (Bus) McKay, present chief deputy sheriff, and Maurice Hebert, former Joliet police captain, were the ones to pull out of the sheriff's race. Floyd H. Krapf, of Green Garden, county treasurer, has withdrawn as a candidate for nomination as county clerk.

McKay said he was withdrawing for two reasons, for party harmony and on the advice of his physician. Hebert was not reached but he indicated before he filed that he would not remain a candidate unless he received proper encouragement.

As far as is known the Republican county central committee has not picked a slate for the primary.

Krapf explained that out of respect to Mr. Hartley (Joseph H., incumbent county clerk) for his many years of faithful service to the citizens of Will county and since I do not wish to cause him undue strain, I am withdrawing from the county clerk's race.

There are no contests, therefore, for any incumbents. County Judge John C. Cowing, Probate Judge Stewart C. Hutchison, County Clerk Hartley, Probate Clerk Ellsworth B. (Neb) Workman and County Superintendent of Schools Verne E. Crackel.

3 for Sheriff

Three candidates are left in the Republican race for sheriff, Gilbert A. Knater, formerly of Frankfort and recently resigned lieutenant of the state police; Carl Meyer, Joliet real estate broker and assistant supervisor, and Mrs. Irene Grewenig, Lockport, a frequent candidate for various offices.

The only other contest on the Republican county ticket is for treasurer. There are two candidates, Roy C. Doerfler, present sheriff, and Frank M. Wesloski, Wesley supervisor.

The only contest on the Democrat county ticket is for sheriff, John J. Long, who has been employed in the Joliet assessor's office, who is the choice of the party's central committee, and William Keltz, who listed his address as the Jefferson hotel, Joliet.

The other Democrat candidates in the county unopposed, are: Raymond J. Harvey, Joliet, for county judge; Robert R. Buchar, Joliet, for probate judge; Leo J. Meehan, Joliet, for county clerk; John (Jackie) Pfeiffer, Wilmington, for probate clerk, and Paul H. Hileman, Jr., Braidwood, treasurer.

Moose Lodge to Break Ground for Harvey Club Feb. 9

Ground breaking ceremonies for the new Harvey Moose lodge will be held Sunday, Feb. 9. A caravan will form at 2 p.m. at the present temporary lodge hall, 15432 S. Broadway to the new future location at 154th and Dixie highway, where the ceremony will be held.

City, county and state officials are expected to attend along with officials of the Loyal Order of Moose headquarters in Mooseheart, also officers and members of Harvey lodge 1203 and the Woman's chapter 811.

Women of the Moose plan to serve hot coffee and doughnuts following the ceremony at the present lodge hall.

FARM HOUSE BURNS—Fire of undetermined origin destroyed an unoccupied farm east of Frankfort last Friday night. The house was formerly occupied by the owner, Fred Reiches, who died last spring. Since then it has been empty. There was no electricity so blame for the blaze cannot be attached to defective or inadequate wiring. It was believed that the fire probably was touched off accidentally or thru carelessness and apparently it was not discovered for sometime. Frankfort firemen received the call about 9:20. By the time they could reach the spot what remained of the house is pictured here. It was too late to do anything about the house but firemen remained there for a time to make certain the blaze did not spread to a barn and corncrib. The place was the first house on the west side of Harlem ave., south of Sauk Trail, about three miles east of Frankfort.

NIKE to Hold Open House At Orland Saturday

Invitations are extended to all residents in and around the Orland Park area to attend an open house at the Orland Park NIKE site on Saturday, Feb. 1, in celebration of the 34th birthday of the 22d Antiaircraft Artillery group.

Guided tours will be conducted from the main gate at 153rd and West ave. Beginning at 10 a.m. hourly tours will be conducted until 4 p.m. Missiles, radar and operational ready crews will be shown to all of the visitors. Refreshments will be served during the day.

Original designation of the 22d AAA group was as the 614th Coast Artillery regiment in 1924 and redesignated to its present identity on Feb. 1, 1940 at Fort Constitution, N. H.

During World War II, the 22d AAA group took part in the Normandy, Northern France, Rhineland, and the Ardenna-Alsace campaigns.

In October 1945 the 22d AAA group was deactivated at Bad Neustadt, Germany and reactivated on March 17, 1949 at Fort Bliss, Texas.

In February 1952 the group was directed to move to the Chicago - Gary Defense area, with headquarters at Fort Sheridan.

In May 1953 personnel from all units of the 22d AAA group participated in Exercise Pasert Rock, a nuclear detonation test conducted by the department of the Army that involved the use of troops for the first time.

Prior to its present location in Orland Park, the 22d AAA group headquarters was located at the Museum of Science and Industry and later at Oaklawn. The group headquarters moved to its present location on June 25, 1957.

Organization day will be held in lieu of the regularly scheduled open house that is held every first Sunday of the month by battalion headquarters and brave Battery of the 13th AAA.

IMPROVING

Noel Elliott, New Lenox drug-gist, who underwent surgery at St. George hospital, Chicago two weeks ago, is improving and expects to be able to return home within a week. He will be confined to his home for several weeks.

L-W Board Gets Briefing On Study Courses

In order to better understand the curriculum and various courses offered at Lincoln-Way, the board members are presently devoting considerable extra time to this study. Each month one special board meeting is held on the fourth Thursday with the time given to two staff members. Usually the last part of the regular meetings is given to one teacher.

During these meetings, the teachers describe their work, department, and program at Lincoln-Way, and answer board members' questions as they arise. The teachers usually point out present and future needs along with their ideas for continued growth and improvement.

Dr. Wright and Mrs. Gorman have discussed the guidance testing and counseling programs. Mr. Dieken described the present work of the Faculty Curriculum committee along with the work in the English, language and social studies departments.

Last week Mr. Hardy and Mrs. Hussey met with the board presenting their work in the mathematics and science department.

During the last regular board meeting Jan. 9, Miss Sprayberry

explained her many activities dealing with the Girls' Physical Education program and the Girls' Athletic association.

The next meeting on Feb. 13 will be devoted to the vocational, home making and agriculture curriculum. Interested citizens should be reminded that they are also welcome to attend these interesting meetings on the second and fourth Thursdays.

Betty Bowman and Donald Hammack Are Wed at Candlelight Ceremony

Miss Betty Bowman, daughter of Mr. and Mrs. John D. Bowman of 4849 W. 159th street Oak Forest was married to Donald Hammack, son of Mr. and Mrs. Eugene Hammack of Hazen, N. D., at a 7 p.m. candlelight ceremony the evening of January 25 at Oak Forest Methodist church.

The Rev. William C. Henzlik officiated at the double ring ceremony before an altar decorated with baskets of white mums. White ribbon and bows marked the pews.

Monty Barnard sang "The Lord's Prayer" and "Because" accompanied by Mrs. Cecil Barnard at the organ.

Given in marriage by her father, the bride wore a full length gown of chantilly lace and taffetta, fashioned with mandarin collar trimmed with seed pearls; long tapered sleeves coming to a point over the wrist and chapel train with puff bustle. The finger-tip veil was caught by a crown of seed pearls. She carried a cascade bouquet of white carnations, satin ribbons studded with seed pearls and centered with an orchid.

Geri Grzan, of Homewood was matron of honor. Cindy Edwards, of Harvey, sister of the bride and Ruby Hammack, of Champaign, were attendants. Their gowns of beige lace over taffetta were waltz length, fashioned with scoop neckline and which came to a large bow decumebund effect bodice, tail. Their picture hats and slippers were in beige satin.

Both attendants carried cascade bouquets of yellow and white carnations.

Clayton Hammack of Champaign, was best man. Ushers were Roger Albers of Tinley Park and Walter Rauch of Homewood.

A reception was held in Saenger hall for 200 guests. The bridal table was centered with a four-tier wedding cake, composed of two square and two round layers, trimmed in pink and white satin ribbon bows. Buffet supper was served.

For her daughter's wedding, Mrs. Bowman chose a navy blue sheath, street length with accents of blue and white. Accessories were in white with a corsage of white carnations.

The groom is a nephew of Mr. and Mrs. Herbert Albers, of 183rd street and Oak Park ave., Tinley Park and has been making his home with them for the past year and one-half.

Upon returning from their honeymoon, the young couple will reside at 6928 W. 173rd place, Tinley Park.

The bride is employed with the United States Association of Credit Bureau in Oak Forest, while the groom is employed at Suburban Electric in Homewood.

Bremen On Top In League Cage Race

Beats Sandburg 57-45 to Take Over Lead

The Bremen Braves confidently begin the second round of play in the Southwest Suburban high school basketball league at the top of the heap with a record of six victories and one defeat for the season to date.

Bremen achieved league superiority by defeating Carl Sandburg 57-45 before a standing room crowd at Bremen last Friday. The two teams entered the match on an even basis, each having five victories and one loss.

The Braves roared off to an early 11 point lead in the first four minutes as they scored on five out five shots from the field on a combination of baskets by Jerry O'Neil, Rich Tindall, and Luke Smith. The Eagles either missed or committed errors that lost the ball.

Pat Ford, flashy Sandburg guard opened the scoring for the Eagles with a charity toss.

Braves Keep in Front

At the half-way mark Bremen held a six point margin with the score standing at 25-19.

Dale Hartwig, of Bremen, opened the second half with back to back baskets, but Ford and Granninger, of Sandburg followed with a pair of jump shots.

In the third quarter Sandburg passed up the Braves with a one point lead. The exciting quarter ended with the Braves inching ahead and hanging on to a one point lead, 36-35.

Two baskets by Gary DuBois of the Braves, coupled with his fine floor play and sharp passing enabled his mates to score 17 points and add the Eagle's scalp to their victory string.

Tindall and Smith of Bremen led the scoring with 17 and 15 points respectively.

Victory Whoops

Victory whoops again resounded from the Braves' camp when they downed Thornton Fractional 64-52 on Saturday in a non-conference tilt.

In the first half the teams battled on fairly even terms with the Braves holding a four point edge 31-27. At the three quarter mark they held a slim 45-40 lead.

Dale Hartwig and Jerry O'Neil of Bremen, opened the fourth quarter with successive baskets. The sharp passes made to his teammates by Gary DuBois, of Bremen, quickly increased their margin to 12 points as the horn sounded. O'Neil led the scoring with 19 points.

The Braves play at Lincoln-Way tomorrow night and play host to Beecher on Saturday.

Eagles Not Thru

The Carl Sandburg Eagles are not giving up however. If they win their remaining games and some other conference five finds Bremen's number—who knows!

Rich High school visits Carl Sandburg-Friday night, a game the Eagles must win to remain in the running for conference honors.

Sandburg visited Peotone High school last Saturday and walked off with a 76-62 victory. Big Mark Hill scored 28 points and took down 33 rebounds off the boards to lead the Eagles in victory.

The Bremen frosh-soph also are leading in the conference race. They won over the Sandburg five 31-27 and defeated Thornton Fractional 45-23.

The Sandburg frosh-soph came back on Saturday night to post an impressive 49-28 win over Peotone.

FOUNTAIN OF YOUTH—At least those arms and hands all reaching up for the ball makes one think of a fountain in action. This shot was taken near the close of the Bremen-Sandburg basketball game last Friday at Bremen high school. The strange thing about it was that no fouls were called—or maybe it isn't strange. Probably there were so many the referee didn't know where to begin. (Marvin Smith photo)

Teens Score Upset 35-31 Victory Over Methodists In Church League

LEAGUE STANDINGS

	W	L
Methodist	8	2
Nazarene	5	5
St. George	4	6
Tinley Teens	3	7

The Tinley Teens pulled the biggest upset of the season in handling the Methodist five its second loss in ten starts, 35-31. Tigh defensive work stopped the high scoring Methodist attack and thus the victory for the league's last place team. Clutch foul shooting in the closing moments of the contest by Bruce Ralson and Bill Pierce was the scoring difference. In the nightcap the Nazarenes moved into second place in the Tinley Park Church league by storming over the Catholics, 54-40.

The Methodists had again won four straight, after its 44-38 loss to the Nazarenes snapped its unbeaten string at four—but the Teens rose to every occasion and thus the story of the game.

Opening fast the Teen club moved into a 12-4 lead, the first quarter ended with the score, 12-6. The second quarter was one of close, fast basketball with the Methodists getting six points and the Teens four. The final half took much the same pattern.

Tom Jeffers and Ken Webster of the Methodist were the high scorers in the game with 12 points apiece. Wally Eggert netted 11 for the winners.

St. George moved to an 8-5 lead in the first period of the second game of the evening. Early in the second period the

Nazarenes captured the lead at 11-10 and from that point never relinquished it, outscoring the Catholics in the second period, 19-10. Normally a low-scoring team, the Nazarenes poured in 22 points in the third period, as many as they had scored in an entire game with the Teen club early in the season.

Ron Gallina, Catholic star, made almost three fourths of his teams points with 26 for the night. Gallina's total was second highest for this season. Tom Mortenson hit for 30 a few weeks ago. The Nazarenes had three in the double figures, Ron and Gery Bressi and Rev. Dallas Mucci.

Lincoln-Way Varsity Loses to Mustangs In Close Battle, 58-55

By FRED KIESLAR

The Knights met defeat at the hands of the Evergreen Park Mustangs, 58 to 55, last Friday night. It was a hard to take loss. The game was played at Evergreen Park and was the beginning of the second round of Southwest Suburban conference play; that is, every team in the league, and there are seven, has played every other team once and now the cycle has begun again. The Lincoln-Way frosh-soph won 53-31.

Lincoln-Way came out of score was knotted at 47-all, frame one on top by one point, Rich Schafer accounted for nine 15 to 14, Lee Yunker made seven of the Mustangs total in that quarter.

At no time during the game were the Knights more than six points behind the Mustangs, and that was at the close of the first half when the score-board showed 35 for the Mustangs and 29 for the Knights.

Hank Jessen did most of the Knights scoring in the second quarter, racking up 10 of L-W's 14 points. The Mustangs' leading scorer in that period was Jim Hutchinson, with seven.

Ron Sorrell scored 8 points, Dave Zechlin three, Bill Dusek, Ron Fredin, and Jessen each two for a total of 18 in the third frame. These points brought the Knights score to 47. The Evergreens were held to 12 points in this period so the

was Hank Jessen with 22 points. Rich Schafer scored 21 to lead the Mustangs.

L-W Frosh-Soph Win

The frosh-soph increased their current series of wins to three when they downed Evergreen Park 53 to 31 in the curtain raiser.

Lincoln-Way took the lead early in the first quarter and never lost it. The Mustangs couldn't manage a basket until four minutes of the first quarter had slipped by.

Lincoln-Way tallied 15 points while holding Evergreen to six in the first period.

In the second quarter L-W held the Mustangs to eight while counting 10 points. At the close of the third frame L-W led 38 to 19.

Lincoln-Way scored 15 points, eight by Jim McGuire, in the fourth period, while Evergreen hit for 12.

The Lincolns scoring was led by Jim McGuire, with 12 and John LaPoore with 14 points for Evergreen.

Tomorrow night, Jan. 31, the Knights will be host to Bremen. Saturday, Feb. 1 the Knights travel to Joliet to Catholic high. Both series will start at 6:45 with a frosh-soph tilt, followed by the varsity game at approximately 8:00. Tickets to both games will be sold at the door of the host school.

The Mokena grade school heavyweight basketball team suffered a crippling blow to its championship hopes last Friday when it lost to Channahon 41 to 34 in a conference game. The Meteorites also lost, 31 to 13. On Tuesday night of this week, however, in two non-conference tilts with Orland Park the Mokena teams won, the heavies, 43-24 and the ponies, 17-4.

The defeat at the hands of Channahon was the second suffered in conference play by Mokena so its mark for the season has lost one game and Rockdale to date is 4 and 2. Channahon has been unbeaten.

There are eight teams in the conference. If each team played twice there would be 16 league games. Those in charge believed this would be too many and set the number at 12. Thru lot it was determined that in four games some of the teams would meet twice while the other four contests would be single games.

Mokena's Meteorites beat Channahon in the Taft tournament around Christmas so their victory in league competition last Friday was sweet to the Indians. Mokena and Channahon will meet but once in conference play this season.

Mokena started out with a rush. At the end of the first quarter the Meteorites were on top, 14 to 12. Yunker scored four baskets in the period only to have them matched by the Indians' Stroud. At the half

Mokena led 23 to 20. In the second from Yunker had but one basket but Muchler came up with one plus three free throws.

Things were different in the second half. Channahon took a 26-25 lead before the mid-mark of the third quarter and led 31 to 27 when it ended. In the final period Channahon dominated the play. Yunker tallied 18 points for the evening and Muehler, 13.

The Meteorites' defeat was not unexpected as the Channahon ponies have been unbeaten and are on top in the conference standings, all by themselves.

The game Tuesday night saw the Meteorites ride rough shod over the Orlands, who were held to one basket and two free throws.

The heavyweight game was closely contested for three quarters. Orland led 10 to 9 at the end of the first period but the Meteorites came back to hold a 22 to 14 lead at the half. Mokena still had a nine point lead at the close of the third quarter and went on from there.

Ronald Yunker piled up a total of 34 points in this contest.

In the five years that Mokena and Orland have been playing each other, Mokena has not lost.

Motorists should not weave from one lane to another like a skier in a slalom, says the Chicago Motor Club. Such weaving in and out of traffic increases the risk of collision with other cars. Competent drivers choose their lane with care, and move from it only when they are sure they can do so without endangering others.

Tinley Personals

Eleven ladies met in the Church of Christ hall recently to make cancer pads. There were 72 pads assembled and turned over to the Cancer Society in Chicago Heights.

Further meetings are planned for the first and third Wednesday of each month from 1 to 3 p.m. This then dates the next meeting for Feb. 5. All meetings are held in the Church of Christ hall. Ladies of the village are invited to join in this worthy cause.

For those who do not have the free time, perhaps you may have old sheets or linens, also any light colored clothing which would be suitable for padding. All materials must be washed and ironed flat. Mrs. R. H. Douglas, KE 2-4580 would be glad to pick up material, or delivery can be made to her home at 167th street.

Mrs. Irma Klepper had the misfortune to slip on the ice and pull several leg tendons. She is hobbling around on crutches. Mr. and Mrs. Clarence Bettenhausen, Jr., are the happy parents of a baby girl, born Jan. 24 in Hazelcrest hospital. They have chosen the name of Debra Lynn for the little newcomer who weighed 8 lbs. 3 oz. Her sister Denise, is quite thrilled with her.

Mrs. Erwin Grunst, 80, formerly of Tinley Park, died Jan. 21 in her home in Albuquerque, New Mexico. She was an aunt of Mrs. Esther Hug.

Mr. and Mrs. Gene W. Strutz moved into their new home at 17351 Oconto ave. on Jan. 26. They formerly resided in Blue Island. Mrs. Strutz is a niece of Mrs. Cecil Taylor.

Cynthia Kay, who will be

eight months old Friday, became a member of the Robert Lewis family of Maple Lane, by adoption. Mr. and Mrs. Lewis are extremely happy with the new addition.

The Women's Society of the Methodist church will meet Tues. Feb. 4 at 8 p.m. Mrs. Harry Schmidt, president, will present "March of the Mission Dollars." Devotions will be given by Mrs. Donald Hollingshead and devotional setting by Mrs. Gordon Bey. Refreshments will be served by the Hope circle.

Boy Scout troop 255 took a night off from their regular activities last Monday evening to go tobogganing at the Palos Park Forest Preserve slides. All the boys enjoyed the slides and other outdoor activities immensely.

George Lindemann and children of Granada Hills, Calif., formerly of Tinley Park, returned for a visit to Tinley over the weekend.

Mrs. James Gross was hostess at a baby shower given recently in honor of Mrs. Fred Helfers. There were 16 guests present. Mrs. Helfers received many lovely gifts.

Mrs. John Mucci of Lucerne Mines, Pa., is visiting her son and family, the Rev. Dallas Mucci.

The Helping Hands 4H club met Saturday at the home of Susan Schullen, at which time they enjoyed painting and etching trays, coasters and plaques.

The Handicraft meeting scheduled for Feb. 3 has been postponed to Feb. 10 at 7 p.m., to be held at the Schullen home.

Mr. and Mrs. James Hoenig of Chicago have recently moved to their newly built and purchased home at 17365 Oconto st. in the new Sundale subdivision.

The Hoenigs have a little daughter, Karen, age 3. Mr. Hoenig is employed as a drafting engineer at the University of Chicago.

THIS is Texas Eastern

Just eleven years ago Texas Eastern took its first step as a fledgling corporation. Its immediate goal: the purchase and conversion of the war-built Big Inch and Little Big Inch pipelines to the transmission of natural gas.

Since February, 1947, Texas Eastern's interests in the petroleum industry have been greatly broadened and expanded. Today, Texas Eastern

- explores for, produces, purchases, processes and transports natural gas...
- explores for, produces and refines crude oil...
- transports petroleum products.

Texas Eastern's natural gas pipeline system—now 5900 miles long—spans 14 states between Mexico and the Northeast. Its pipelines, which supply natural gas used in millions of homes and thousands of factories, have a combined capacity of more than 1.7 billion cubic feet per day.

Texas Eastern's newly created "Little Big Inch Division" will soon be operating a 1700-mile petroleum products pipeline system. This new system—one of the nation's largest common carriers of petroleum products—links the refineries of the Gulf Coast, Ark-La-Tex and Mid-Continent areas with major marketing areas of the Midwest.

The Company's Production Division and its recently-acquired subsidiary, La Gloria Oil and Gas Company, are exploring for oil and gas in a half dozen states. They have interests in over 600 producing oil and gas wells... and in thousands of acres of proved and semi-proved oil and gas areas.

Through La Gloria's ultramodern Tyler, Texas refinery, Texas Eastern is engaged in custom refining of aviation and automotive gasolines. La Gloria's giant gas cycling plant at Falfurrias, Texas, further adds to Texas Eastern's diversification.

Through a company affiliate, Algonquin Gas Transmission Company, gas from the Texas Eastern system is sold in large areas of southern New England and as far north as Boston.

These operations have made Texas Eastern a truly versatile company, broadening its service to consumers of oil and gas as well as to the people who produce and process them.

"NO PILFERING, PUT—"
"We don't want to pilfer the U. S. Treasury!" said the mayor of Independence, Missouri. "But—"
"This classic comment," observes the Wall Street Journal, "fairly well sums up the feeling of city officials meeting at the convention of the American Municipal Association. . . . The mayors want more, not less, Federal help for. . . airports, housing, sewage plant construction and countless other projects."
"Perhaps one of the most revealing indications of municipal thinking is the dead-ban demand of New York City's Mayor for more Federal aid to combat juvenile delinquency."
"Instead of assuming their own plain obligations, the civic authorities prefer . . . to dump all responsibility on Washington. That may not amount to an attempted pilfering of the U.S. Treasury. But—offhand it's hard to think what else it amounts to."

Just why all the rural areas of the nation should dig up taxes to take care of big city lawlessness and inefficient management is beyond understanding and should bring a resounding "NO" from the people's representatives in Washington.

POLIO

A new kind of celebration is in full swing in this country. This month thousands of communities in every part of the land are observing the 20th anniversary of the National Foundation for Infantile Paralysis. It was National Foundation leadership and National Foundation money, provided thru the annual March of Dimes, that made possible the Salk vaccine and the hope that polio epidemics eventually will be eliminated forever in America.

Think what that means! No more mass imprisonment in iron lungs each summer; no more shriveled arms, legs, hands; no more dread in the hearts of millions of parents each time their children come home with "the symptoms."

The best way to celebrate a blessing like this is to show our gratitude. And the best way to be grateful for the Salk vaccine is to think about the blighted lives of those for whom it has come too late and to do what we can to wipe out or relieve their helplessness. There are, in America, some 100,000 boys and girls, young men and women, who have had polio and who need further rehabilitation.

These people can benefit, some of them tremendously, if modern techniques of rehabilitation are applied to their disability. It is the purpose of the March of Dimes to finance the care they need. The cost will

run to many millions. And the March of Dimes looks to us—to every one of us—to give what we can toward this wonderful objective.

Let's not forget those who were not as lucky as we. Let's remember, as the March of Dimes puts it, that "Survival Is Not Enough" The Mothers' March on Polio will be carried out tonight or tomorrow night in the area. Let's Give!

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

The Home Owners meeting was held in the spacious home of Mr. and Mrs. Al Karre, Jan. 21. Thirty-four persons were seated in her kitchen and breakfast room area, instead of the Orland Park school where the meetings are usually held. Mrs. Karre opened her home to the members so that the important meeting would not have to be postponed due to the hazardous condition of the roads after the heavy snowfall.

The new directors for three-year term are William Snedden, William Donohue, and Ralph Leeland, and Art Arnold for one year. Jack Nelson who was to have been a director for a three year term resigned leaving the one year vacancy which Art Arnold agreed to fill. Terms that will expire this year are Robert Anderson, George Carrol, Frank Militello and William Murphy and Gordon Bendix directorship will expire in 1959.

The new officers for 1958 are: president, William Murphy; G. Bendix, vice president; G. Carrol, secretary and William Donohue, treasurer.

Hostesses were: Mrs. Art Aielio, Mrs. Frank Militello, Ruth Hegyi and Lorraine Snedden who served sweet rolls and coffee.

The first board of directors meeting for 1958 was held at the home of President William Murphy last Monday evening.

WINS HI-FI

Mrs. Lee Jankauskas, of 17626 Hermine ave., Tinley Park, was the lucky winner of the Hi-Fi phonograph awarded by the Jewel Food Store Saturday. The store, which opened officially for business last Wednesday, is holding a grand opening this week.

The Southlands

DORIS WOLFSON
Kellogg 2-3840

The Southlands Property Owners Association will hold its yearly election of officers at the next scheduled meeting, Thursday evening, Feb. 6. Their proposed sponsorship of a teen club will take more concrete form at that time. Vehicle stickers were distributed to the community through the Association. Those still without them may call Kellogg 2-4029.

Scout Week, Feb. 7 to 13 will be honored by Cub Scout troop 256 with an interesting display to be set up in the window of F & M Cleaners.

The PTA and Mothers' Club are busy cooking up some tasty affairs for the future. These will be announced shortly.

Our best wishes for a speedy recovery go to Ralph Morrissey, a patient in Little Company of Mary hospital.

Mrs. Warren Mancke was gracious hostess to her sister Delois, Mrs. Irene Bettenhausen, Mrs. Tom Grote, Mrs. Harold Keuch and Mrs. Joe Yokley at a luncheon Jan. 16 in her home.

A surprise birthday party for Wayne Matulis was given recently by Mrs. Ed Holz. About 30 teen-agers enjoyed a thoroughly entertaining evening, but the best time of all was had by—Mrs. Holz.

A surprise party was given for Charlie Rockrohr Jan. 26 in the Markham Community Center, honoring his 87th birthday. Mr. Rockrohr is one of the first residents of Markham. There were 64 present for the celebration, representing four generations. Mrs. Lester Rockrohr, a daughter-in-law, her daughter, Mrs. Gene Kelley, both of Tinley Park, and Mrs. Ray Vincent, a daughter were hostesses.

Mrs. Leonard Wolfson, of 17102 Overhill drive, Tinley Park will be a correspondent for the Southlands area. She will handle all news items of her area. Call her at Kellogg 2-3840 with items of personal news covering special occasions, parties, out-of-town visitors, and other items of interest. News of organizations and clubs will also appear in the Southlands column. Call Mrs. Wolfson with your news items. She will act as a voice from the Southlands.

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Mrs. Mary Holzinger of Marion, Ind., spent the past week in the home of her son, Mr. and Mrs. Robert Holzinger. The latter and their family took her home Sunday.

Mr. and Mrs. Jay Bissell, Mr. and Mrs. Glen McWhorter, Mr. and Mrs. Robert Wheeler were supper guests of Mr. and Mrs. Leo J. Marcoux in Mokena last Sunday evening.

Mr. and Mrs. Edward Guth celebrated their 16th anniversary by going to dinner in the city and then to a show. They saw "Sayonara".

Mr. and Mrs. James Valchant and daughter of Chicago, spent Saturday with Mr. and Mrs. Paul Riechel.

Mr. Emil Groth underwent surgery Jan. 18 in St. Joseph's hospital, Joliet.

Mr. and Mrs. Floyd Harmon and Mr. and Mrs. Hubert Richmond of Steger went to Phil Schmidt's restaurant in Ind., for dinner Sunday. Later they came back to the Richmond home and played cards.

Mrs. Walter Ritt took her two daughters, Rosemary and Karen to see the movie 'Old Yeller' at the Rialto in Joliet.

Miss Phyllis Lane, a student nurse at the West Suburban hospital in Oak Park, was home with her parents, Mr. and Mrs. Harold Schwab over the week end.

Dalton Miller is vacationing in Florida for a few weeks.

Mr. and Mrs. Albert Swatek were guests of Mr. and Mrs. Albert Swatek Jr., and family in Griffith, Ind., last Sunday.

Pfc. Robert Emperor and family are home on a furlough. Pfc. Emperor has been stationed at Ft. Lewis, Wash. He has a 28 day furlough and then he will be sent to Germany.

Miss Lois Griffin and finance of Chicago were guests of Mr. and Mrs. Larry Griffin Saturday night.

Auxiliary Police

The Auxiliary Police of Will county met Jan. 26 and elected the following officers: John Van Donk, captain; George Kaehler, and Mrs. Jessie Nicholson, lieutenants; Mrs. Nicholson is also secretary and treasurer; Charles Jone, Sergeant.

Another sargeant is to be appointed at a later date.

The next meeting will be held February 9.

Mrs. Steve Steck, Jr. was hostess at a double birthday party Saturday in her home honoring her daughter Joyce, 7, and her son, Wayne, 5. Guests were Gloria and Craig Kubeck, Neil Nyjakowski, Susan and Carol Semankowski, Rhonda Harmon, Debra and Danny Coy, Pamela Buzzie, Pat Koester, Jane and Linda Wheeler. Also Mrs. Gloria Coy, Mrs. Lyle Koester, Mrs. Mary Kubeck and Mrs. Rosemary Wheeler. Games were enjoyed followed with refreshments. The two birthday children received many nice gifts.

Dismiss Cases Against Girls

Another chapter was written in the boy fights girl episode that took place on Mokena's Front street on Sunday afternoon, Jan. 12, when Justice of the Peace August Werner, sitting as acting police magistrate, disposed of the case.

At a hearing Jan. 16 he fined two Mokena men, Warren (Mouse) Tomaska, 21, and Jack Armin, each \$50 and costs and assessed a fine of \$8 and costs against one of the four girls involved, Karyn Mair, 1109 Homes ave., Joliet.

At the time the men blamed the girls for starting the thing and the girls blamed the men. At the hearing Tuesday night, of this week after talking with the other three girls the court came to the conclusion that the men had started the row by blocking the girls' car so they couldn't pull out from a parking space on the Rock Island property.

The girls had stopped at Mokena to get some pop. Words were exchanged and then the girls claim the men threw mud at them. One of the girls countered by squirting pop on Armin's car and another tossed the pop thru Armin's windshield—while the pop was still in the bottle. Armin is then alleged to have leaped on the hood of the girls' car and kicked in the windshield.

Armin paid \$20 on his fine shortly after it was imposed and paid a second installment of \$17.50 Tuesday night, leaving \$17.50 remaining to be paid. Tomaska, who claims that he was just a bystander, had not paid any of his fine until Tuesday when—with jail staring him in the face—he paid \$20 and is scheduled to pay a like amount today or tomorrow and come up with the remaining \$15 in the next week or 10 days.

Justice of the Peace Werner served notice on the two defendants that if the fines were not paid they would have to serve them out in jail.

He dismissed the cases against the three girls who appeared in court Tuesday night, Marcia and Beatrice Gonzalez, sisters, of 527 Fox st., and Virginia

TB on Increase In Will County, Records Show

Gordon K. Kent, seal sale campaign chairman of the Will county Tuberculosis Association reports that out of the more than 6,000 cases of tuberculosis reported in Illinois last year, 92 were reported in Will county. These figures represent an increase for both the state and Will county over the previous year. So far this year more than 183 cases of this infectious disease have been reported in Illinois. This has happened in spite of the year-round tuberculosis control program conducted by the Will county association which includes health education, medical research grants case finding, and rehabilitation. In view of this, it seems that a more extensive program is needed, and this can only be realized if ample funds are available.

The tuberculosis association in Will county is nearing the end of its annual Christmas Seal campaign which supports the above mentioned program. So far \$33,597 has been raised. Kent, the chairman of this drive reported that contributions are still coming in, but the association is still some \$8,000 short of the established budgetary requirement for the ensuing year. It is not too late to contribute. Those who have forgotten to mail in their Christmas seal contribution are asked to do it today. Now is a good time to join with your friends and neighbors in the all-out battle against tuberculosis. Tuberculosis can strike anyone, at any time, anywhere.

Contributions from this area to the Seal Campaign include \$1,009 from Frankfort township; \$925 from New Lenox; \$120 from Green Garden; \$342 from Manhattan and \$3,579 from Lockport township.

Children like some time to be alone in a place of their own says a University of Illinois child development specialist.

ginia Seppi, 535 Fox st. He also dismissed the case against the Mair girl and refunded the money she had been fined.

CONGRATULATES TEEN CLUB representative for originating new means of raising funds to fight polio. Last year the Tinley Teen club sponsored a roller skating party to aid the polio fund campaign and the affair was repeated last Thursday. John Helander, Cook county polio representative is the one offering congratulations to Roberta Nolte, represent-

ing the Teen club. Looking on, at the left, are Mayor Elmer Knudsen and Mrs. Bernice Yocum, chairman of the Mothers March on Polio, and at the right are, Joseph McCarthy, general chairman of the polio drive in Tinley Park and Mrs. Darlene Rosenwinkel, one of the captains for the Mothers March.

Report Wholesale Theft of Sleds

Seven sleds were stolen in Mokena last Friday. Evidently the temptation of the recent snow was too much and someone decided to go coasting—wholesale.

There were three sleds stolen from the John Horras home, 164 E. Third st., two from the home of Carrol Roberts, 251 E. First st., one from the home of Terry Warning, 233 Carpenter st., and one from the home of Mrs. John Roesner, on Midland ave.

If the prangsters are thru with them, they might return them to the owners, so they too may enjoy the snow while it lasts.

PTA News

BREMEN H. S. UNIT

Members of Bremen PTA have an opportunity to hear and meet Robert Moser, guidance director of Bremen High school at the Feb. 5 PTA meeting at 8 pm. in the school cafeteria.

Students will soon be selecting the studies and course for next year, and with the close of

the semester, many questions are being asked as: "What studies shall I take next year?" "I still don't know what I want to do following graduation" and many others.

Mr. Moser is at school each day, available for appointment with students or parents, just to assist in answering these very questions. Plan to meet him next Wednesday, Feb. 5 at Bremen PTA meeting.

Also on the program will be the history of Bremen PTA given by Mrs. Voris Miller, historian. As February is Founder's month, our past presidents will be honored: Mrs. Arthur Weygandt, first Bremen PTA president, who recently passed away Mrs. Conrad Hoyer, second president and past president, Mrs. R. A. Ekstrom, Jr.

Hostess for the evening will be Hazel Crest and Homewood parents.

Bremen Community high school PTA is a member of the High School council, district 19, Illinois Congress of Parents and Teachers.

DISTRICT 19

The PTA high school council of district 19 will meet in the Bremen community high school, 151st st., and Crawford ave., Midlothian, Monday, Feb. 3 starting promptly at 8 p.m.

According to President Mrs. Edmund Jaracz, Chicago Heights election of officers for the year 1958-'59 is on the agenda for the business meeting.

The program will be presented by Mrs. William Graham, Chicago Heights, program chairman, who has arranged the showing of timely and interesting films, entitled, "The Fourth Seacoast," "Eighth Sea" which concerns the St. Lawrence seaway, and "Alice in Washington".

Following the program, Mrs. Percy Jochum, Tinley Park, Unit president and her executive board will serve refreshments.

The Parent-Teachers Association of the following six high schools are members of this council: Bremen, Bloom, Evergreen Park, Oak Lawn, Carl Sandburg and Thornton.

Tinley Hustlers

The January meeting of the Tinley Hustlers held on the 24 was called to order by vice president, Earle Bettenhausen with the pledge to the flag.

Enrollment cards, record books, membership cards, and program for the year were distributed to the members.

A card from The National

4-H News magazine was sent as a reminder of our expired subscription, and offered a reduced rate for renewal.

A discussion on beef was given by the beef project members and refreshments were served by Mrs. Dick Wille, Jr.

The meeting was closed with the 4-H pledge.

ORLAND CLUB

Boys in the Orland 4H club are planning the window display for 4H Week.

New members who joined the club at the last meeting held in the Maue school, Jan. 20, are Lawrence Lauffer, John Bettenhausen and Richard Mayer.

Leader of the group is Edward Mrosek.

NUCLEAR POWER STATION—The huge steel sphere and the turbine building for the Commonwealth Edison-Public Service company Dresden nuclear power station are nearing completion. Located on the Illinois waterway, 50 miles southwest of Chicago, the 180,000-kilowatt station will have the largest nuclear power reactor under construction in the country. It is scheduled for operation in 1960.

The next step will be to remove the construc-

tion derrick from the center of the 190-foot sphere. Then the top and bottom will be capped and the airtight sphere tested to insure it will withstand the specified pressure of 29½ pounds per square inch. Later an opening will be cut in the sphere to permit entry and installation of the boiling water reactor assembly.

Dresden is being built by General Electric company for a contract price of \$45,000,000.

ALPINE

Mr. and Mrs. Orlando Johnson left by plane for their home in Seattle, Wash., Saturday, Jan. 18, following a two month vacation with their daughter and family, the Edward Mroseks. Occasion of their visit was a particularly happy one. Although there had been other visits, this was the first time in more than 25 years that Mrs. Mrosek had spent a Thanksgiving or Christmas with her parents.

Girls 4-H Club

The Alpine 4-H Girls club met Jan. 24 in the Maue school at 7:30 p.m. The meeting was opened with the pledge to the flag. A letter of thanks was read from the Central Baptist Children's home.

Mrs. Alma Stellwagen announced the dates for events of this year and also of the roller skating party to be held Jan. 31 which will be sponsored by the 4-H Federation.

Discussion was had on the window display for 4-H week. Agriculture and Home Economic enrollment cards were distributed. Dates were scheduled for the members to give talks, demonstrations, musical selections and refreshments committees.

It was decided to hold a Valentine party. Joan Stellwagen suggested to have a valentine box containing home made bakery goods which is to be sold at a silent auction from \$50 to \$1.

The next meeting will be Feb. 11 at 8 p.m.

After the meeting closed, with the 4-H pledge, games were played and refreshments were served by Betty Stellwagen and Kay Maue.—Elaine Yunker, reporter.

Must Maintain Sound Finances Says McClellan

Since the rise of big federal government and the need to spend billions for defense precludes the "prospect or hope" of any tax relief, the nation must concentrate on eliminating non-essential federal spending and strive for greater economy in government, Sen. John L. McClellan believes.

"If we are to meet the challenge of world dangers it is imperative we maintain sound fiscal policies and keep our economy strong," he asserted at Tax Foundation's 20th anniversary dinner.

He said the "unprecedented obligations" and the national debt the U.S. has incurred; the existing heavy tax burden, and the "exacting demands" made by world conditions, "emphatically preclude and deny to us either the right or the luxury of any waste, extravagance or nonessential expenditures whatsoever of the tax resources of this nation."

The Arkansas Senator declared that to meet its responsibilities in these times, Congress "desperately needs" to implement the present appropriation process. It "labors today under a very serious handicap," he added, "but one that can be remedied."

He urged renewed considera-

tion of the creation of a Joint Committee on the Budget as one means of rectifying Congress' instant lack of knowledge to enable it to deal intelligently with the thousands of spending requests made annually.

The proposal envisions a committee made up of members of the house and senate appropriations committees, staffed with technically trained experts, investigators and accountants.

"I would make this joint committee," he said, "the watchdog agent of the congress to do the work, to get the facts, and to give the congress the information it needs to enable it to make cuts in appropriations where they can and should be made in the interest of governmental efficiency and economy."

Honeymoon Over For Violators of Zoning Laws

(CNS)—The day of the state's attorney's office, "courting" violators of zoning and building ordinances into compliance with the law is over.

That's the announcement from Assistant State's Attorney Richard Houpt who says from now on he's filing suit against all violators almost the minute he learns about them from county building and zoning bureau inspectors.

"And we'll insist on fines, too," say Houpt, in a "get tough" mood.

Up to now ordinance violators have been notified at least twice to comply with the law—first by the building department and then, if that didn't work, by the state's attorney's office. Only as a last resort was a case taken to court.

The county was interested not in fining every violator, but in bringing about compliance with the ordinances, Houpt explains. But that didn't work very well because a large backlog of cases have accumulated and are almost impossible to keep up with, says Houpt.

When violators were mollycoddled, the county waited anywhere from six to 12 months before resorting to court action in cases where obtaining compliance seemed hopeless otherwise. Now, says Houpt, action will be started within 30 days.

List Candidates on Ballots for April 8 Primary

Secretary of State Charles F. Carpentier has announced the complete list of candidates who have filed petitions in his office for places on the ballot in the primary election on April 8, for the following state and representatives in Congress offices:

Joseph D. Lohman, present Cook County Sheriff, will be unopposed on the Democratic ballot for state treasurer.

Republican candidates are Louis E. Beckman, of Kankakee, Lar (American First) Daly, of Chicago and Warren E. Wright, of Park Ridge.

The latter served as state treasurer for one term preceding the present office holder, Elmer Hoffman, who will be a candidate for representative from the 14th Congressional district in the primary election.

State treasurers cannot serve two consecutive terms.

Public Instruction

The Democratic candidate for superintendent of Public Instruction is also unopposed in the primary. He is George T. Wilkins, of Edwardsville.

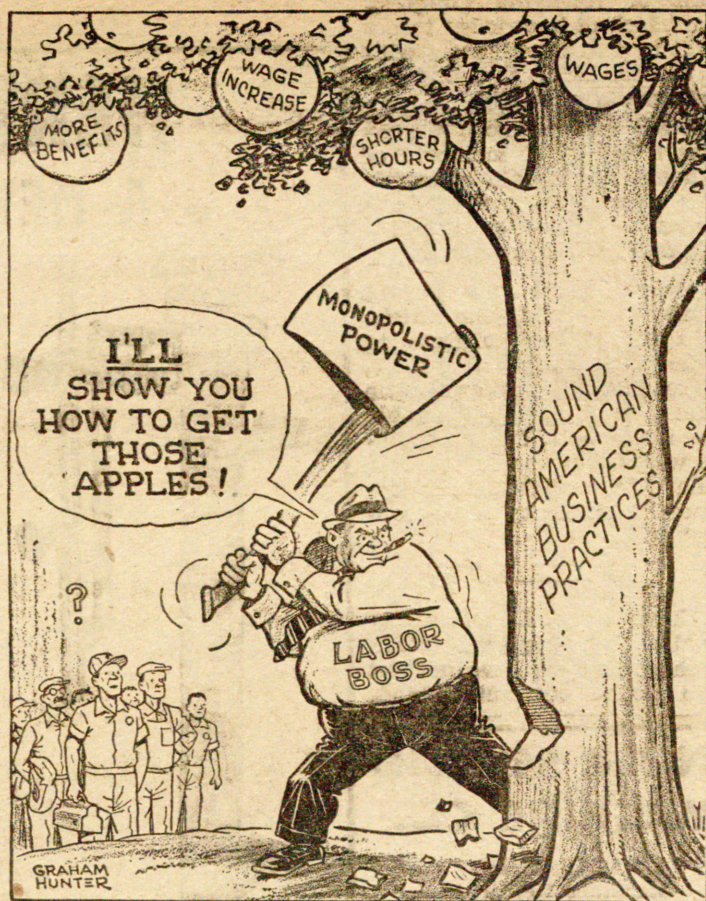

Lar (America First) Daly's name appears on the Republican ballot also for this state office. Another Republican candidate is Gerald W. Smith, of Elmwood Park.

Congressmen

Both party candidates are unopposed in the April primary for representatives in Congress from the 4th Congressional district. The incumbent, William E. McVey, is the Republican choice and Leland H. Rayson, of Tinley Park, the Democrat's.

Three incumbents for state representative are two Republicans; Terrel E. Clarke, of Western Springs, and Harold A. Hoover, of Palos Park. The other is Democrat, Frank X. Downey, of Oak Lawn. Other candidates are Republican Harry Teune, and Democrats, Clara C. Smolten, of Lemont, and John P. Dohm, of Oak Lawn. Three will be elected.

PTA's to Celebrate 61st Founders Day Feb. 17—11-Million Members

On February 17 the world's largest voluntary service organization will celebrate its 61st birthday.

This is the National Congress of Parents and Teachers, whose nearly eleven million members are active today in PTA's thruout the 48 states, the District of Columbia, Alaska, and Hawaii. They will mark the organization's Founders Day with a variety of activities aimed at strengthening and expanding parent-teacher work in their own communities.

Mrs. Rollin Brown, of Los Angeles, president of the National Congress, points out that these 43,000 PTA's have set the pattern for parent-teacher associations in areas where U.S. armed forces have established American communities overseas.

And parents of school children in other nations have sought help from the National Congress in forming similar groups to promote education in their countries. Their enthusiastic reception of the aims, as outlined by the Founders, and of the lectures, discussions, and conferences that made up the first meeting set the pace for a great national movement. Soon state congresses were founded, and before long the original "mothers' congress" was broadened to include the concept of parents working with teachers.

Founders Day activities, scheduled for February 17, will honor two women whose imagination and concern for children planted the seed for this still-growing organization.

It was in 1897 that Alice McLellan Birney and Phoebe Apperson Hearst conceived the idea of a National Congress of Mothers to promote the health and welfare of children by helping their parents learn more about how to fulfill a child's physical and spiritual needs.

They worked hard to interest other women in their aims and approached the date they had set for the organizing meeting with hopes of seeing a hundred or so delegates arrive at Washington's Arlington Hotel. But

"if only twenty-five are there," admitted Mrs. Birney, "I shall be satisfied."

More than two thousand men and women turned out!

The Wayside Worker's Circle of King's Daughters will meet in the home of their president, Mrs. Iola Storm, 522 Washington St., Lockport, Thursday, Feb. 6 at 1:30 p.m.

The Homer Men's club has changed their meeting time to the second Tuesday evening of the month. The next meeting will be Feb. 11 at which time new officers will be elected.

The Ways and Means committee of the Missionary society met at the parsonage last Wednesday evening. They are planning a Father-Son supper for Feb. 26.

Mr. and Mrs. H. Weaver and daughter of Glen Elyn were supper guests in the Jerome Paddock home last Sunday evening.

The Rev. Philip Muth of Clinton, Iowa, called on Homer friends Sunday afternoon. He was enroute to a ministerial conference in Chicago.

The Robert Shepherd, Jr. family have moved into the house on Bruce road recently vacated by the Delbert Shepherds.

Willard Rowley, Sr., is recovering from an attack of flu.

Walter Konow remains quite ill in St. Joseph's hospital where he was taken for observation. The cause of his illness has not been found.

Don Cagwin has returned from the National western stock show in Denver, Colo., where he exhibited a champion shorthorn steer in the junior division. He sold the animal for \$497.75 at the show.

There was no school in the rural schools Monday because of a Teachers' Institute at Manhattan.

Mrs. Ray Carlson substituted on Thursday for Mrs. Henry Rodgers who was unable to attend her classes because of a cold.

Mr. and Mrs. Gary Walh and son were visitors in the Harvey Ingersoll home Sunday.

The women of Dist. 33-C will meet at the school Jan. 30 at 8 p.m., their purpose being to become better acquainted and to discuss the possibilities of organizing a Mothers' club.

Three house permits have recently been issued to Small Homes Corp. to be built in Homer township on 144th and 145th Places, ranging in cost from \$8,000 to \$11,460.

Mrs. Bell Storm is a medical patient in Silver Cross hospital.

Mrs. Roy Hanson and Robin spent Thursday with Mrs. Ira Anderson.

The Pilgrim Fellowship met at the church Sunday afternoon

for a devotional and business meeting. They also enjoyed a coasting party. They appointed the staff for the new church newspaper which they are planning to edit, and which will contain information about all Homer church doings. Bonnie Mlynarik and Susanne Burcham will act as co-editors while John Filipowicz, Edna Burcham and Betty Anderson will be reporters. The first copy is promised for late February.

Mrs. Earl Burnworth, president of the Marine Corps League Auxiliary of the Joliet area, will entertain the group in the home of her daughter-in-law, Mrs. Muriel Burnworth, of Lockport, at the organization's first meeting Wednesday, Feb. 5, at 7:30 p.m. Co-hostesses are Mrs. Muriel Burnworth and Mrs. Lucille Belcher. New members are being recruited; those eligible are wives, mothers, sisters and daughters of Marines.

The adult class of Homer Sunday school are planning a new program led by Mr. Hanson, which will include a study of world religions; they will go directly to class when Sunday school convenes, to afford more time for study.

Tentative plans have been made for an open house at Homer Consolidated school on the afternoon of Feb. 16.

Death of Saul Sudbury

Saul Sudbury, age 69, who has lived in the 143rd st. subdivision in Homer township for several years, died suddenly Tuesday, Jan. 21, of a heart attack. Funeral services were held Saturday afternoon at the Adams-Winterfield funeral home in Downers Grove with burial in Clarendon Hills cemetery.

The deceased was born in Ashton, Ill., and lived in Chicago, where he was employed at the Harris theater, before mov-

ing to Homer. He ran a grocery store on 143rd st. for a few years; after selling the store he raised pets for sale.

The heart attack is believed to have been caused by pushing a car which was stuck in the snow.

Surviving are his widow, Evelyn, a brother, Henry; and four sisters, Mrs. Clea Moeller, Mrs. Zola Yobbs, Mrs. Grace Morris and Mrs. Bessie Flynn.

Bond Issue Passed

The LTHS bond issue which was voted on Saturday afternoon, passed by a small majority in the entire district. 197

votes were cast in the Homer precinct, 197 votes were cast with 143 in favor of the issue.

A group composed of the presidents and secretaries of all affiliated church groups met at the parsonage Tuesday evening to plan a program of activities for the year.

Illinois landowner making bids under the new soil bank program can figure that a reasonable bid will equal about 8 per cent of the current conservative value of their land, says a University of Illinois farm economist.

LITTLE BILL says:

6¢ a load
is all you pay —
to dry the clean
electric way

An electric dryer will dry this normal 8-lb. load for only 6¢—2 sheets, 3 bath towels, 4 hand towels, 2

men's T-shirts, 3 pillowcases, 3 children's dresses, 2 luncheon cloths. Drying time only 25 to 30 minutes.

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

A new electric dryer will wipe out your wife's weather worries on washday (and costs less to buy than any other kind).

And for just 6¢ a load, electric dryers give you the cleanest way to dry clothes. Clean, dry, radiant electric heat—like the sun—turns out clothes that are soft, sweet-smelling every time.

Fast, too. Today's electric dryers will dry a full load in 25 to 30 minutes. All electrics are fully automatic, nothing to light, no igniting devices to require service.

We think you'll be surprised when your appliance dealer tells you how little it costs to own a modern electric dryer.

Read John 11:47-54
He (Caiaphas) prophesied that Jesus should die for that nation; and not for that nation only, but that also he should gather together in one the children of God that were scattered abroad. (John 11:51,52.)

"God has grandchildren" is a startling statement. By writing it, an editorial writer won my open-mouthed attention, just as he knew he would. He went on to show that God has only children.

We are not foster children, or in-laws, or grandsons or granddaughters. We are not mere descendants of the heavenly Father; we are His children.

Sons and daughters carry certain privileges. The children of the household share in all the Father possesses—His insights, into the meaning of life. His concerns about His other children.

As children of God we carry certain responsibilities, too. We strive for the mind of Christ, our brother; we have part in His sufferings. We find that there are exacting requirements for the spiritual gifts we receive. As children of God, we enter into a partnership for God's purposes.

PRAYER

My Father, and the Father of all men everywhere, teach me the meaning of sonship. Save me from self-conceit. Keep me from despair, for I fall short of a son's stature. In the name of Him who came to show me the dimensions of Thy fatherhood. Amen.

THOUGHT FOR THE DAY

In the family of God a divine radiance surrounds all who are bound together in Christ.

CHRISTIAN SCIENCE CHURCHES

Divine Love's inexhaustible power and abundance will be brought out Sunday, Feb. 2, at Christian Science services. Matthew's account (ch. 8) of the healing by Christ Jesus of centurion's servant will be included in the Bible passages to be read in the Lesson-Sermon on "Love."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (494:10): "Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."

The Golden Text is from I John (4:7): "Beloved, let us love one another; for love is of God; and every one that loveth is born of God, and knoweth God."

Elect 4 Vestrymen, Hire Architect at Parish Meeting

Election of four new vestrymen and the engagement of an architect were the highlights of the annual parish meeting of the Church of the Transfiguration, Palos Park, last Sunday afternoon.

Vern Leedy, Tom Woodstrup, and Harry Clayton were elected to the vestry for three year terms. Hugh Connell was selected by the congregation to fill a one-year unexpired term.

The rector, the Rev. Chester C. Hand Jr., announced that the Zav Smith Associates had been retained to assist the parish in the planning of new educational facilities. A Parish Planning Commission has been formed to work jointly with the architects.

The senior warden, Donald F. Bond, announced an advance gift of \$2,000 toward the construction of the new educational facilities.

Before its adjournment the congregation elected George Mueller, Richard Darby, and Lyle Cassidy as delegates to the diocesan convention. William Johnson, John Johnson and Jack I. Kitch were named alternates.

Kenneth Tauber served as toastmaster at the dinner meeting and program Monday night of the Toastmasters of New Lenox at the Methodist church. Top icmaster was Lester Brown, and speakers for the evening were Earl Moss, Stanley Gilmore, Ernest Hofer, Lewis Loebe, and William Wilson. Ronald Whitaker was master evaluator, and evaluators were John Burlingame, Elias Brown, John Richardson and Paul Kauffman. John Minion had the invocation and benediction. Bill Heidrich was timekeeper, and Bill Wilson, wordmaster.

The premiere showing of the film "An Acorn Grows" will be shown at the Joliet township high school at 8 pm. Sunday Feb. 9 and Monday, Feb. 10. This recently received film, produced by the Motion Picture Apostolate of America, is in color and depicts the history of the Catholic Diocese of Joliet, with special emphasis on the work of the laity. This film will be shown in the three sections of the diocese.

Preceding the diocesan film will be the showing of a short film on the Vatican with narration by Bishop Sheen.

Tickets are available from St. Jude's church and also at the door.

First Retreat

The ladies of St. Jude's parish New Lenox, made their first retreat in St. Mary's Retreat house, Lemont, last weekend. The retreat was one of the projects of the Altar and Rosary society and it hopes to make this an annual event. Mrs. Frank Romeo was chairman in making the retreat arrangements. Mrs. Raymond Reiter is president of the society.

The three days of closed retreat was conducted by the Rev. Aloysius, O.F.M., assisted by Fr. Leonard, O.F.M. Ladies who could not make the closed retreat arrived Sunday morning for a day of recollection. All agreed that the three days spent in prayer and reflection were very profitable spiritually.

The Lincoln-Way Band Boosters met Wednesday night, Jan. 22. Final plans were made for the distribution of the auto decals, which will be in the mail in the near future. The auto decals are being sent to all New Lenox township residents, and residents of other townships included in the high school district.

A tentative date for the Spring band concert was set for May 11. The annual band, solo and ensemble, district contest will be held March 1 in Lyons township high school at La-Grange. There will be 13 ensembles and 14 solos going to district. Those getting a first at the district will then go to the state April 18 and 19, at Bradley university in Peoria.

Lincoln-Way high band, now rated in the B class, goes directly to State contest this year, without first having to go to district.

Refreshments were served after the meeting by the hostess-

es, Mrs. Clair Christian, Mrs. Clyde Wade, Mrs. Clarence Sluiter, Mrs. Jim Roberson, Mrs. Clarence Anderson, and Mrs. Leonard Anderson.

Cub Scout Pack 8

New Lenox Cub Scout pack 8 met Thursday night, Jan. 24 in the Lions Den. Den 6 had the opening number, and games and demonstrations were put on by Den 2.

Cub Master, William Knowles announced that Cub Scout Week would be held starting Feb. 9, and also that the annual Cub Scout Blue and Gold banquet will take place of the February meeting, to be held Saturday night, Feb. 22 at the Lincoln-Way high school cafeteria.

A skit, given by Den 9, assisted by Dens 2 and 10, was in keeping with the theme of the month. Movie Making The boys in costume, portrayed the Silent Movies.

Den 1 had the closing ceremony, after which Eugene Schubert read a poem on When Father Was A Boy. Den 7 served the refreshments.

Awards presented to the boys from Cub Master Knowles were: Bobcat: Eugene Schubert; Gold and silver arrows, Ed Beadles, Herman Beck, Billy Clark, Stephen White, Michael Spiess, Larry Koerner, Karl Warning, Don Alan Anderson, Billy Petyko, Dale Brent, David Batson and Thomas Micka.

Webelos badge: Thomas Baldwin, wolf badge: William Clark Dale Brent, and John Venus; year pins: Larry Koerner, Don Anderson and Donald Hanson.

Morning Circle

Mrs. Lloyd Berlin opened her home Wednesday to the January meeting of the morning circle of the Methodist church, for a 9 o'clock brunch. Mrs. Robert Banderob was co-hostess.

Mrs. Frank Goetschel, president, presided and Mrs. Berlin led the devotions. Mrs. William Schwab was a guest.

Mrs. Charles Werner and Mrs. Lester Koerner will be co-hostesses for the February meeting.

Mr. and Mrs. LaVerne Braun, Cedar road, entertained in their home Saturday, at a party honoring the birthday of their daughter Nancy, who was 10 years old. Games were played, and prizes were awarded to Rosemary Brown, Pat Dolan, and Darlene Kokal. A decorated birthday cake centered the refreshment table, and favors were presented to each guest. Those attending were Pamela Hartung, Rosemary Brown, Pat Dolan, Candy Tomany, Loma Carnes, Sherill Douglas, Darlene Kokal, Sue Ann and Nancy Braun.

Mr. and Mrs. Leonard Warning and family entertained in their home Sunday, at a birth-

day dinner, honoring her mother, Mrs. William Wischover of Frankfort. Guests were Mr. John Baumgartner of Frankfort, Mr. and Mrs. Lloyd Bettenhausen and son David of Peotone, and Mrs. John Warning.

Wally Gougar, son of Mr. and Mrs. Walter B. Gougar Jr., is confined to his home with the measles.

Russell Christian, enroute home to Philadelphia, Pa., from Livermore, and Santa Barbara, Calif., on a business trip stopped here to visit his father Mr. and Mrs. Clair Christian, and family on Wood street, over the past weekend. Mr. and Mrs. Clair Christian Jr. of Villa Park also visited here with the family Sunday.

The members of the First Child Study club met Jan. 21 in the home of Mrs. Wendell Hardy, with Mrs. Ted Bogdan assisting. A movie on cancer was shown by Ronald Fredin.

Gregory B. Thomas, son of Mr. and Mrs. Ben Thomas, 208 W. Central road, New Lenox, whose wife Jean resides at 305 S. Ottawa st., Joliet, left Jan. 20 for service with the U. S. army. He was one of four volunteers who left Joliet that day. They were stationed at Ft. Leonard Wood, Mo., for the first few days, and a call to his wife revealed they were leaving there Friday.

Horse Show

In spite of snow and cold weather there were 56 entries and a large group of spectators at the New Lenox Riding club's horse show at Woodland Valley farm, last Sunday. Taking part in the various entries were:

Jean Friddle, Bob Treadway, Jack Randolph, Joann Friddle, Jim Anderson, Cleta Olson, Betty Benjamin, Beverly Armann, Kaye Delaney, John Parkhill.

Judy Hultgen, Beverly Amann Raye Delaney, Darwin Patten-

At the last regular meeting of the Citizen's committee many things of importance were discussed and agreed upon which are given below in detail.

Don A. Moore, Republican committeeman for Bremen township, will speak on "The Relationship of Our Area with that of Surrounding Local Governments" at the next regular meeting of the Citizen's committee to be held at 7:30 p.m. Thursday, Feb. 13, in the main school building on Central ave. NOTE, the change in meeting night from Monday to Thursday. Arrangements for Mr. Moore's appearance were made by Bill Marquardson.

New Appointments

Carl Timmerman was appointed chairman of the Youth Activities committee to replace John Kovach Jr., who was appointed temporary treasurer.

The committee on building and grounds was dissolved, due to the fact the school custodian is now familiar to all.

George Hein was appointed publicity committee chairman. Members of this committee are Mrs. Rusty Wilson, Del Forsgren and Mrs. Cass Brady.

Another appointment was that of Joe Morgenweck as chairman of the fund raising committee to replace Ray Bergmann who was recently appointed to fill the unexpired term of a school board member, Dick Harding, who has moved from the school district.

Sweetheart Dance

The social committee is planning a Sweetheart dance to be held in the Homewood VFW hall at 8 p.m. Saturday, Feb. 22.

The fund raising and social committees have merged. A new chairman will be elected at a special meeting next week in the home of Joe Morgenweck. Members of this newly merged unit are, Mrs. Hazel Marquardson, Mrs. Ellen Tryner, Mrs. Jessie Hein, Bob Campbell, Joe Morgenweck, Loren Nordgren and Bill Hastings.

BOYS GALORE

Last week three of my males, husband and two oldest sons, spent a thrilling masculine evening—at the theater. Now, how could they be at a theater when: 1. There isn't even a movie nearby? and 2. There certainly are no live theatres anywhere nearby?

The answer: Cub Scout's monthly program.

During this happy evening of live theater, boys and more boys performed, acted, strutted, fumbled, played, coached and struggled through four productions of their very own. Each boys' den worked hard on them (something around the assignment "Movie Making"), on scenery, props and of course, stage presence. Oh yes, at the ages 8 to 11. Stage Presence can take on frightening meaning.

CALENDAR OF EVENTS

Thursday, Jan. 30 MOTHERS MARCH ON POLIO

Lillian Thomas and Rusty Wilson supervise 17 women in our community who will walk from door to door at 7 to 8 p.m. Mothers Club of Coopers Grove school provides the volunteers and will meet with the Tinley Park ladies in the Municipal building after the collection. Turn on your veranda lights and smile.

Thursday, Jan. 30 TELEPHONE OPEN HOUSE

New dial phone building at 18214 Dixie highway in Homewood invites everyone to tour it from 6:30 to 9 p.m.

Thursday, Jan. 30 PTA ELECTION

All parents and interested adults of school district 160 may nominate from the floor and vote for officers for the coming year. Don Swanson, temporary chairman, call KE 2-4873. Meeting will include reading of new by-laws and writing of year's membership list also. 8 p.m. at Coopers Grove school, 184th and Central.

Monday, Feb. 3 GIRL SCOUT FUND DRIVE

Mrs. Moore called me to clear any possible misunderstanding about such funds collected. Ordinarily, the Community Chest fund includes Girl Scout money, which was collected in organized areas last October. However, being so new and fresh, we must have a fund campaign of our own for the South Cook County council. Then, they in turn will help our local troops form. Later, the girls and adult sponsors can have bake sales or local fund campaigns solely for their own use.

Every Sunday

CHURCH & SUNDAY SCHOOL

Welcomes all Protestant faiths 11 a.m. at school, 179th and Thomas. Dr. J. J. VanBoskirk. Complete Sunday school staff for all ages.

Wednesday, Feb. 5 MOTHERS CLUB

Coopers Grove School Mothers club invites newcomers to attend for discussion of: A FUN FAIR in the spring to raise money to give to our needy new school, results of their sponsored Polio Mothers March, then social hour with refreshments. 7:30 p.m. at Main School, 184th and Central. Lillian Thomas, president, SY 8-6728.

Monday, Feb. 10 SCHOOL BOARD

Brisk and businesslike reports by Clarence Beam, president, Roy Simmons and Ray Bergmann. They tell us of their work during the past month and we bring any and all questions to them concerning improvement of school conditions.

Be sure to request petition forms if you wish to run as candidate for new 7-man board to be elected this April. 7:30 p.m. at Main school, 184th and Central.

Saturday, Feb. 15 SCHOOL USE BY PUBLIC GROUPS ENDS

The month's notice given all civic groups will be up and a new community meeting hall must be found.

It Was Delicious, Mary (And Paul)

I forgot to include Mary Sonne's name on that long list of cake bakers for the happy PTA refreshments last week. She happens to be my next-door neighbor, so I want to also thank her little four year old son Paul for carrying that large coffee cake through the snow to me. When I looked out my front window, he was seriously frowning and trying desperately to balance the slipping cake and reach above his own head for my doorbell. Such devotion to duty must not go unrewarded.

Hi, Ho, Whirlbird

Did you see the helicopter rising, hovering and moving over the west end of our community last week? When I called the model house, Charlie Japp told me it belonged to a pilot who got caught in the snowstorm the night before.

It seems he had a buddy pilot living here, facing the highway. So, when the storm overpowered him, he just dropped into his buddy's yard for a cup of coffee. Quite an exciting visit. I thought at first one of us had jumped into the future 50 years and was commuting at last the really sensible way.

Cub Scout News

The Cub Scout pack committee for the Country Club Hills area is now at full strength as of Jan. 17.

Members are: Ben O'Connell, chairman; Glen Thacker, treasurer; Emil Van Fischel, secretary; Bill Watkins, Cub master; Stu Heidreder, assistant Cub master; with Bill Marquardson, James Ramsen, Bob Senecal, Don Wilson, George Hein and Ray Winters.

It is the responsibility of these men to see that the boys have proper transportation on all outings, proper health and safety measures, necessary supplies and new membership.

The committee may well be called "duties unlimited," tho it is still just the minimum number of adults needed to aid a Cub Scout pack. If anyone can help occasionally, advise one of the above committeemen.

The second week in February

is Boy Scout week when all Boy Scouts will observe the event. Coopers Grove pack 286 will have a Blue and Gold dinner in honor of the 48 years of scouting. It will be held in the American Legion hall in Tinley Park with Elaine Timmermann as dinner chairman.

There are now six den mothers with the newest addition being Betty Spenser. These six Den mothers look after the 37 Cub Scouts who make up the pack. The next committee meeting will be Feb. 20 in the home of June Jones, 17925 S. Michael.

The following awards made were: The beginners Bob Cat pin to Tony Webber; and Wolf badge to Joey Timmerman.

Boy Scout troop 286 has submitted its charter to Boy Scout headquarters for acceptance.

At a recent meeting, the committee set up the program for the year with the assistance of Charles Nelson and Ray Radke of the Pokagon Trail council, both having many years experience in Boy Scout activities.

GIRL SCOUT FLAGS

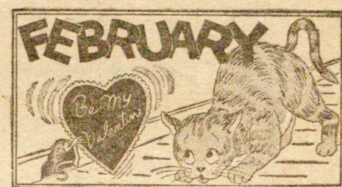

The VFW ladies auxiliary of Tinley Park, Bremen Post 2791, wishes to notify all organizational committees for both Girl Scout and Brownie groups that:

They will be most happy to donate flags for both groups, and, if invited, will attend the dedication ceremonies.

Sponsors wishing to accept these gifts, may call Ida DeVault, at KE 2-23712.

Loved in Iowa

Young Johnny and Jimmy Ver their have gone to their grandparents far away in Iowa to stay while their mother Arlene recovers from her recent illness. It is nice to know they will be loved and happy until their return to their new house. They are such modest, sweet boys—I know, for they often played with my own boys this winter. We miss them.

Issue Books On Wild Mammals of Illinois

By ROBERTS MANN
(Conservation Editor)

Let us get one thing straight. Too many people say animal when they mean mammal. Wild mammals, at least those in Illinois, are warm-blooded animals with hair or fur. Their young are born alive and suckle. An animal, on the other hand, is any member of the animal kingdom.

Taking Illinois as a whole, wild mammals outnumber wild birds—probably several times over. Yet, because so many kinds of mammals are secretive or active only at night, or so small, rather few of them are seen by the casual observer. In Cook county, half-tame squirrels are commonplace sights. The average person sees the greatest variety dead along the highways where, blinded by lights, they were run down the night before—rabbit, skunk, fox, opossum, raccoon, mink, weasel

and many smaller kinds.

To the pioneer settlers of this region, and still more to the Indians who preceded them, natives mammals were a principal source of food and clothing. Trapping for a livelihood was common in early times. Chicago got its start as a fur-trading post and, even today, wild mammals are an asset. Almost a million dollars worth of raw fur, mostly mink and muskrat, are taken in Illinois each year. Hunting, for rabbits and squirrels alone, furnishes outdoor recreation and thousands of tons of fine food to a half million hunters. On the debit side, some mammals prey on poultry or livestock, some damage crops or become nuisances in other ways. The worst pests are rats and mice which annually destroy property worth many millions.

Until this year, no single book or publication has ever brought together in an interesting and usable form the essential information about the state's mammals. Now, this longfelt need is filled by a beautiful little blue-bound volume—called Fieldbook of Illinois Mammals—which was published recently by the Illinois Natural History Survey at Urbana. The

authors, Dr. Donald F. Hoffmeister and Dr. Carl O. Mohr, have been lifelong students of mammals. It is abundantly illustrated, is written in concise, crystal-clear language and, in its 233 pages, contains such a wealth of authentic information that it belongs in every school or home library. An index, a glossary of technical terms, a list of literature and a table of contents make it equally useful as a reference work or as a field guide.

At present, 59 species of wild mammals are known to occur in the state. They range in size from the pigmy shrew to the white-tailed deer; from a tenth of an ounce to over 200 pounds. All are native except the Norway rat, roof rat and house mouse which are immigrants from the Old World. Within historical times several others, mostly larger kinds, have disappeared from Illinois—bison, elk, black bear, mountain lion, timber wolf, red wolf, marten, fisher and the little red squirrel. For each of these, this fieldbook gives a description; a summary of its life history, habits, habitat, and foods; its nest, burrow or other homes; its distribution, abundance, relation

to man and, often, its historical background. Almost every account is accompanied by an excellent photograph of the animal; many have drawings of its skull, feet, tracks, and other features; or maps of its range. There are keys for identification of the different species.

Other parts of the book tell how to study live mammals, how to make a collection of preserved specimens, and give

the lore by which woodsmen, hunters, trappers and naturalists read mammals signs.

People are mammals too. (Ed. Note: And it should be added, some are quite wild too.)

The port side of a boat is the left side, as one faces from preserved specimens, and give stern to bow.

Hey there! Mr. Groundhog! Wake Up, and tell us if Its Spring

By JOHN W. ALLEN (Southern Illinois University)

According to an old superstition, some queer kind of an alarm clock will sound off in a few days and the deepest sleeper in Southern Illinois, in fact in all the nation, will awaken. As nearly as can be determined, this should occur at 11 o'clock on Sunday, Feb. 2. At that time this champion of slumber is supposed to awaken, crawl to the doorway of his home and check the weather.

If the recently awakened one finds the sun shining enough to make his shadow, he returns to his bed for another brief nap of six weeks. By this little gesture he informs us that much winter weather is yet to come, that spring will be late, and that the crop year will be unfavorable. If, on the other hand, he can see no shadow, he stumbles around some, yawns, and perhaps scratches his head in order to shake off the hangover from his long sleep. Then he goes out to look for something to eat and soon to find his ladyfriend. Spring is just around the corner and the crop year will be a good one.

Why! It's Mr. Monax

Capitalizing both his first and last names, the sleeper mentioned, is Marmota Monax, also known as a marmot woodchuck, groundhog or whistling pig. Some persons well acquainted with him shorten the name to "chuck." He is easily America's champion long sleeper. Many insist that he also is our laziest animal. Both his friends and detractors admit however, that he exhibits activity in two ways. First he digs and keeps a well ordered burrow, one of the cleanest known. Secondly, he is almost constantly eating.

The groundhog, give the name of his day, spends a busy summer feasting. By the time cold weather is due he is miserably fat and evidently decides to sleep it off. For perhaps three weeks he nods and dozes for a day or two at a time. Apparently soothed by these "cat naps" he settles down in his bedroom below the freezing line, curls himself into a ball with nose protected by his hind legs and busy tail. Evidently having an untroubled conscience, he goes into a profound sleep, sometimes lasting three or four months.

Needs no Sleeping Tablets

Raccoons, skunks, bears and badgers sleep long and well. None of these, however, equal the groundhog. Specimens of groundhogs in their deepest have been dug from their burrow bedrooms and had their pulse, respiration and temperature taken. Their pulse, normally 80 to 90 a minute, has been found slowed down to 5, with a breathing rate of about 12 per hour and temperature as low as 38 degrees. Prodding and rolling him about

to him. Perhaps an old superstition that the weather for the next six weeks or two months could be determined from that of Candlemas Day helped some. Such was once a widely held belief. This is shown by an old English rhyme that says:

If Candlemas Day be dry and fair,
The half of winter's to come and mair,
If Candlemas Day be wet and foul,
The half of winter's gone at yule.

Law Set Date

There once were some who would have Feb. 14 as groundhog day. This controversy was settled by the Missouri legislature when it designated the second day of the month as the proper one. There is no mention whatever that the groundhogs were properly informed.

Shortly after 1900 a group of merry chaps about Quarryville in Lancaster county, Pennsyl-

vania, organized the Slumbering Groundhog lodge. It was the custom of this group to don silk hats, take canes in hand and go into the fields to make observations concerning Mr. Marmota Monax. When a burrow was found a proper signal was given and all gathered about it. After careful inspection and noting, the group would return to the village to properly evaluate and interpret their findings.

Ventilation of silos to prevent the accumulation of gases which may be poisonous is essential in preventing "silo filler's" disease, warns the American Veterinary Medical Association.

—O—

A fluoroscopic study of gizzards in live chickens by veterinary medical scientists revealed that this material plays little part in maintaining thriftiness by grinding feed for the birds.

Judge Rules for School Dist. In Condemning Land

(CNS)—School district trustees have the right to condemn land in court even though voters in the area have yet to authorize construction of a school on the property sought, Superior Judge George M. Fisher of Cook county has ruled.

The court's decision was a victory for Homewood-Flossmoor community high school District 233. Its trustees initiated condemnation proceedings to acquire about 80 acres west of Governor's highway in Flossmoor.

Securities Service Corp., formed in a trust agreement by owners of the property, contended the right of eminent domain does not give the school trustees their power under the circumstances.

The corporation argued the school district could put the land to no use since it hasn't been authorized so far to improve the property once it got it.

In fact, the court was told, the school district doesn't even operate a high school yet. It has nothing so far—no land, no school.

Even so, the court held, the district's trustees do have the power to condemn land under Illinois law.

The school district does plan to build a school house once authority for the expenditure has been obtained from voters in the district, the court noted.

Judge Fisher also held that the 80 acres sought to be acquired, based on evidence submitted, is not excessive.

The court gave the corporation 10 days to file a cross-petition in the case.

State Aid Group Makes Report on Expenditures

In a report to Gov. William G. Stratton, the Illinois Public Aid Commission said that 289,795 persons received aid during November at a cost of \$13,918,399. In October the caseload was 284,189 and expenditures were \$14,040,200. In November 1956, the figures were 274,018 recipients and \$14,851,529 total cost.

General assistance took the brunt of the increase, reflecting changes in a period of unemployment, rising to 81,459 persons averaging \$37 at a total

in October and 71,557 persons averaging \$38.99 for a total of \$2,790,048 in November 1956. The drop in the November expenditures from those of the previous month, despite the increase in caseload, reflects the lowering of per person averages that usually accompanies addition of larger size families to the rolls plus lag in payment of medical bills.

Old age assistance declined to 84,700 persons receiving \$5,736,969 for an average of \$68.10 compared to 85,361 recipients receiving \$5,746,993 for an average grant of 67.68 in October. In November 1956 there were 89,460 recipients with expendi-

tures totaling \$5,512,392 for an average of \$61.95.

Blind assistance dropped to 3,312 persons averaging \$72.29 at a cost of \$238,056. In October 3,340 persons averaged \$72.30 for a total of \$240,401 and in November 1956 there were 3,474 persons averaging \$68.80 at a total cost of \$238,447.

Disability assistance declined to 13,169 recipients averaging \$82.39 for a total cost of \$1,077,708 compared to 13,233 persons averaging \$81.75 for a total of \$1,073,732 in October and 9,966 persons receiving \$78.91 costing \$783,618 in November 1956.

Aid to dependent children also dropped to 107,612 persons averaging \$35.83 for a total cost of \$3,851,793 compared to 108,043 recipients with an average

Lace Draping of Figurine Taught at Palos Foundation

A new course "Figurine Lace Draping" will be offered by the Community Center Foundation, Palos Park, starting January 27, from 7:30 to 9:00. This will be taught by Mrs. Howard Bell of Palos Park assisted by Mrs. Howard Fish of Orland Park.

This course will show how to lace drape beautiful figurines. This is a new easy method of treating lace with a liquid chemical and yet the same results of the porcelain figurines that are so costly. These figurines have been made into lamps.

In addition to this course, the regular painting and ceramic classes will be resumed starting the last week in January. Painting classes will be held Tuesday evenings, 7:30 to 9:00, and Thursday afternoons, 1:30 to 3:00. Classes will be given on Wednesday, in the

Congressman Blames Educational Leaders for Haziness In Students

CONG. N. M. MASON

A recent report from the U.S. Office of Education comparing our public school curriculum with the Russian public school curriculum, with the Russian public school curriculum, informs us we are way behind in science and mathematics. From another source we learn that the high schools of our European allies provide more courses in science and mathematics than our high schools.

We realize that Russia's emphasis upon science and mathematics is primarily due to her war aims. This fact, however, cannot be given as the reason the Democratic nations of Europe also provide superior courses in science and mathematics than the courses provided in our high schools.

The most shocking thing, however, concerning science and mathematics in our high schools is the fact that during the past 50 years of our so-called "progressive education" the percentage of American high school students taking science and mathematics courses has dropped from 28% of the total enrollment to 10% of the total enrollment—due to the flabby, soft, educational philosophy of the past 30 years. We have too many easy elective courses, and not enough required basic courses in our high schools today.

Educational leaders blame our present-day lag in science and mathematics upon lack of funds, and call for increased educational subsidies. They ignore the fact that today we are spending 20 times as much per pupil in our high schools and grade schools as we did 50 years ago, much of which goes for "fads and fancies".

Our so-called "progressive education," with its soft pedagogy and soft discipline, is certainly in need of a reappraisal. To

adopt the rule "we must let the pupil do what comes naturally" is neither good discipline nor good training. Doing only the easy tasks never produced an Einstein, an Edison, nor a Henry Ford.

Fallacy of Federal Aid

The President's program of federal aid for schools—"to catch up with the Russians in their scientific achievements"—is unsound, uneconomical, and unnecessary. The fact is that the states and localities are able to do the job without interference or aid from the Federal government.

The billion dollars proposed to be spent in this program must first be taken from the pockets of taxpaying citizens of the various states. Federal aid of whatever kind is composed of our own tax dollars redistributed to us at a great discount. Federal aid carries with it the power of control that inevitably resides in the holder of the purse strings.

Budget Comparisons

The President's budget request of \$73.9 billion for the next fiscal year is \$2.1 billion more than the record-breaking peacetime budget asked for last year. The congress cut the budget request last year by \$4.8 billion. What will the congress do this year?

A great deal of interest has been developed in what is called "high Energy Fuel Producers." This need for better and more powerful fuel has been forced by the needs of missile and rocket motors.

A new solid propellant fuel has been developed using what is known as Boron which can be produced in large amounts from large Borax deposits in western United States. This is a non-petroleum based fuel that is likely to seriously challenge petroleum based fuels in the missiles field.

At the moment this solid fuel is expensive, but military requirements are so urgent that cost is secondary. It is expected that this cost will be considerably reduced as research work continues. The Boron fuel has a heat release of about 25,000 BTU per pound, on combustion, as against 18,800 BTU for gasoline.

The military has been aiding in development work of this fuel. However, at the moment they are actively getting ready for commercial production of Boron fuels. They are Olin Mathieson and Callery Chemical Co. Callery Chemical seems to be getting the greatest amount of publicity in the field.

Callery Chemical is a comparatively new firm founded in 1952 as a wholly owned subsidiary of Mine Safety Appliances Co. Gulf Oil Co. purchased a 25 per cent interest in Callery with an option to buy another 25 per cent.

In addition to the firms named, Phillips Petroleum Co., and North American Aviation have combined to create a new rocket missile company—Astrodyne, Inc. Phillips has done extensive research in solid propellants since 1952. North American Aviation has worked on liquid propellant engines since 1946. Astrodyne will work to expedite development and production of high energy fuels and devices for use and missile systems. Astrodyne plant will be at McGregor, Texas.

Experts in the rocket and missile field point out that solid fuel is more efficient in these applications as no fuel transfer mechanisms are required as in liquid fuel. Success in development of such solid fuel and reduction of costs, is expected to create a civilian market for such fuels on a long range basis.

The impact of success in this solid fuel field will not be great with stockholders of Olin Mathieson, Phillip Petroleum or North American Aviation as they have wide interests and each has a considerable number of shares outstanding. Mine Safety Appliances has a comparatively few shares outstanding.

Mine Safety Appliances is an old conservative firm well known to most people associated with the chemical field. The stock has been rather closely held by investors in and around Pittsburgh. Floating supply of the stock is small. The company has had no public offering of its securities in many years and has not publicized its chemical research work to any appreciable degree.

In addition to Callery Chemical, Mine Safety Appliances has several other wholly owned subsidiaries which are active in chemical research. Callery Chemical itself is doing considerable research on the whole fuel propellant field. Boron fuel is especially interesting as the supply of Boron is so largely and easily obtained.

BIG DAY FOR THE LOSTEFFS—The two Losteffer brothers, Robert (left) and Edward, count this as a very big day as it marks the formal grand opening of their new drug store at 16952 Oak Park ave., Tinley Park. They have a Walgreen Agency store that carries a huge and varied inventory. The Losteffer take special pride in their prescription department. Between them here is a portable TV set that is among the awards to be given away in conjunction with the grand opening.

Savings and Loan Accounts Grow

Directors of the Tinley Park Savings and Loan are pleased by the enthusiastic response of people in the area since the association officially opened for business.

During the first 15 days of the Open House being held at the Savings and Loan office, 17325 Oak Park ave., more than 500 accounts were placed by local people and from the surrounding area.

Widely scattered sections of the country are also represented with accounts; one account hold lives in Spokane, Wash., another in Florida, and one in Michigan.

Many area business people and individuals have expressed their good wishes to the institution with flowers and plants.

One well-wisher, the Bremen State bank, which serves the association as a depository presented them with a unique planter lamp which has drawn a great deal of comment from visitors. It is pale blue in color and has a driftwood base.

The Savings and Loan association is available for consultation and advice on construction and other type of loans.

Natl. Tea Declares Quarterly Dividend 50 Cents a Share

H. V. McNamara, president, National Tea Co., today reported the declaration of the first quarterly dividend for 1958 of 50c per share on the \$5 par value common shares payable March 1, 1958 to all shareholders on record as of Feb. 14, 1958.

This compares with a 50c dividend paid on common shares for the first quarter of 1957, and brings to a total of 54, the number of consecutive regular dividends paid on the company's common shares since the last quarter of 1944.

Appeal From Refusal of Bar License

(CNS)—The Illinois liquor commission has under study an appeal of Evergreen Park's refusal to issue a liquor license to the Mill restaurant at the northwest corner of 95th street and Trumbull avenue.

Peter Schultz, village attorney, has told the commission a village ordinance restricts the number of liquor licenses to 14 and

that all have been issued.

Schultz also contended a covenant running with the restaurant's property prohibits the sale of liquor on the land.

Another factor against issuing the restaurant a liquor license, Schultz said, is that the village code prohibits the sale of intoxicating beverages at a location within 600 feet of a church.

The restaurant is less than 600 feet from two churches, Schultz said. They are the Westminster church, 9544 S. St. Louis and the First Methodist church, 9344 S. Homan.

Application from William Scholl, operator of the restaurant, for the liquor license was rejected by Joseph Tanner, village president and also village liquor commissioner.

Creamy Corn Chowder

A creamy corn chowder gets a winter's meal off to a cheerful start. As a matter of fact, it's hearty enough for the main course if you make plenty for seconds and serve it with biscuits and a crisp green salad.

Using pantry shelf staples such as evaporated milk and canned corn, you can make this excellent chowder at a moment's notice any day this winter. The evaporated milk, creamy, economical and full of good nutrition, simplifies the recipe and gives the chowder extra body. Serve the chowder steaming hot in individual bowls or bring it to the table in the traditional tureen.

Corn and Bacon Chowder

6 slices bacon, diced
3/4 cup chopped celery
1 cup chopped onion
1 tablespoon flour
1/4 teaspoon celery salt
1/4 teaspoon salt
1/2 cup water
1 tall can (1 1/2 cups) evaporated milk
1 can (1 pound) cream-style corn

Cook bacon, celery and onion in large saucepan until bacon is crisp. Blend in flour, celery salt and salt. Add water, mixing until smooth; then add evaporated milk and corn. Mix until well blended; heat to serving temperature.

YIELD: 6 servings.

members of the Esther Circle of the Methodist WSCS will meet in the home of Mrs. Stewart Loebe at 11 a.m.

The following men of Christ Lutheran church were elected and installed as members of the church council: chairman, Louis M. Quast; recording secretary, Ellsworth Uthe; treasurer, Harold Uthe; financial secretary, Alvin Stelter; elder, Clifford Horn, and trustee, Christ Habenicht.
